Mr. President, new bill. (Read by title for the first time LB 321. See Page 211 of the Legislative Journal.)

PRESIDENT: We will move on then to General File on the Agenda Item #6 with LB 68. Go right ahead. Read the title, Mr. Clerk.

CLERK: Mr. President...(Read title of LB 68). The bill was first read on January 5, 1979, and was referred directly to the General File, Mr. President.

PRESIDENT: The Chair recognizes Senator Duis.

SENATOR DUIS: Mr. President, and members of the Legislature, this is an internal reference and an erroneous part of a bill. Actually what it does....a portion of subsection 4 contained a bill, and this bill also should have been removed at the same time. In removing subsection C, the following subsections were relettered, which changed the intent of the reference in subsection 4 and had the unintentional effort of eliminating the auctioning of real estate from an activity which could be conducted by real estate sales persons. This correction is required in order to reestablish the authority of licensed real estate sales persons to auction real estate, and that's the explanation. If anybody would like any more explanation I would be glad to give it.

PRESIDENT: Any further discussion on LB 68?

SENATOR DUIS: I would move for its advancement to E & R Initial.

PRESIDENT: Alright, motion before the house is the advancement of LB 68 to E & R Initial. All those in favor vote aye, opposed nay. Have you all voted? Record the vote, Mr. Clerk.
